Registration
Workshops are filled on a first received basis. Return a completed registration form found on our website, www.davidson.edu/apsummerinstitute, as soon as possible with a non-refundable $100 deposit made payable to Davidson College or provide payment in full. Please refer to refund policy.
Registration and full payment are due by the deadline (June 1). All communication regarding the institute will be done via email. On the registration form, please provide a valid email address that is checked on a regular basis.

Refund Policy
In order for any refund to be given, the AP director must be notified in writing before the institute begins. If a registration is cancelled for any reason, the individual or organization making the original tuition payment will receive:

A full refund, less the non refundable deposit of $100, if the cancellation request is received in writing before session’s registration deadline date. A refund of 50%, if the cancellation request is received in writing before the session’s deadline date.

Session 1  after June 1 but before June 8, 2018
Session 2  after June 8 but before June 15, 2018

No refund for a 'No Show or for a cancellation request received after

Session 1  June 8, 2018
Session 2  June 15, 2018

Schools may substitute a paid participant with another teacher in the same course without penalty. Schools or individuals will be billed the full amount if a registered participant neglects to cancel and does not attend.
Credits

Attendance at all class sessions is required for teachers to be awarded Continuing Education Units (CEUs). Participants with 100% attendance records at the Institute will receive 3.0 CEUs (30 credit hours). No graduate credit is available.

Participants who attend 90% or more of the Institute will receive a certificate indicating participation in the workshop. In compliance with the College Board, participants who miss more than 10% of the Institute will not be eligible for a certificate.

Sponsored by the College Board Southern Regional Office and Davidson College, this week long institute is offered to current and new AP teachers. The institute is designed to benefit beginning AP teachers and/or current AP teachers wishing to build on an existing course. Participants will work with College Board approved consultants and Davidson faculty on AP curriculum content and teaching strategies. Teachers will gain insight on selecting course materials, learning ways for higher level thinking, and preparing students for Advanced Placement examinations.
