East Asian Films

Here is the schedule of films that will be shown, starting at **7:00** pm in the evenings at the VAC lecture hall (just across Main Street; if the front is locked, go in through the side door). They will be shown every other Tuesday evening, adjusting to school holidays. Depending upon availability, the schedule may change (I have recently purchased some films that I am waiting to arrive); please see the course website for the latest information.
