The students are required to attend Divine Worship and Bible Recitation on the Sabbath.

The collegiate year is divided into two sessions of five months each, commencing on the first Monday of September and of March. February and August are vacation months, and the Annual Commencement is on the last Thursday of July.

Board is at the low price of \$30, and tuition \$15 per session, both payable in advance.

The Literary Societies of the students are known to be under good regulations, and highly favorable to the promotion of intellectual improvement.

The Libraries number about 700 volumes each of well-selected books and receive additions every session, which, in connection with the College Library, afford to the students an opportunity of extensive reading.

[From the Annual Catalogue for 1886-'87.]

LOCATION.

Davidson College is in Mecklenburg county, North Carolina, on the Atlantic, Tennessee and Ohio Railroad, twenty-two miles north of Charlotte, and twenty-two miles south of Statesville. **The post-office is a money order office.** There are telegraph and express offices in town. The site of the college and adjacent village is remarkably healthy, being free from malaria and other causes of sickness. Few places are so free from temptations to vice and extravagance. The situation of the college is remote from towns and large villages. By a law of the State no intoxicating liquors are allowed to be sold within three miles of the place.

The college was founded in 1837, and has continued in operation, without any suspension, since it was first opened.

ADMISSION.

AGE.—The earliest age at which, in general, it will be advantageous to enter college is at the completion of the fifteenth year. The Faculty is authorized to matriculate a student at an earlier age, provided sufficient reasons exist.

TESTIMONIALS.—Every applicant for matriculation must submit to the President satisfactory testimonials of good moral character, and, if from an academy or college, a certificate of dismission in good standing.

EXAMINATIONS FOR ADMISSION.—The examinations for admission are both oral and in writing. They are held on Monday and Tuesday before Commencement Day, and also on Tuesday and Wednesday before the opening of the session. All applicants are requested to present themselves on these days.

Students may be admitted, at any time during the year, to any class for which they are prepared. But it is desirable that they enter at the opening of the term, or, if possible, at the beginning of the Academic Year.

ADVANCED STANDING.—Candidates for advanced standing will be examined in all the studies gone over by the class which they purpose to enter.

COURSES OF STUDY.

Two regular courses of study are offered :

I. **THE CLASSICAL COURSE**,—embracing the studies of the ordinary curriculum.

II. **THE SCIENTIFIC COURSE**,—designed for such as wish to pursue English and scientific studies, to the exclusion of Classical.

ECCLECTIC COURSE.—Persons who do not wish to complete either of the regular courses are permitted, provided they have the requisite qualifications, to select particular branches of study and to recite with the college classes, the number of their studies being subject to the direction of the Faculty. Certificates of subjects studied and of attainments made will be given, if desired, to such as have satisfactorily pursued special studies.

POST-GRADUATE COURSE.—The degree of A. M. will hereafter be conferred on those only who have pursued a prescribed course of study and stood an approved examination. The Post-graduate course is designed for those who wish to obtain this degree. It is open to the graduates of all regular colleges. No tuition fees are charged.

CLASSICAL COURSE.

The Classical Course occupies four years. Those who satisfactorily complete this course receive the degree of A. B.

REQUISITES OF ADMISSION.—Candidates for admission to the Freshman Class are examined in the following subjects, for which, however, an equivalent will be accepted :

Mathematics—Arithmetic; Algebra—through Radicals to Equations of the Second Degree.

Latin—Gildersleeve's Latin Primer and Latin Reader; Gildersleeve's Latin Grammar; Cicero's Orations against Catiline.

Greek—Goodwin's Grammar; Goodwin's Reader (the part comprising the first and second books of the Anabasis); White's First Lessons in Greek.

English—Grammar; Modern Geography.

REQUIRED AND ELECTIVE STUDIES.—All the studies of the Freshman and Sophomore Classes are obligatory.

In the Junior and Senior Classes all the studies are elective. The studies of these classes are given in the scheme of studies. The members of these classes are required to select five of the subjects there named.

The election is made at the beginning of the academic year, and no change of studies is allowed after the work of the class has begun.

SENIOR CLASS.

Same as Classical Course, with Latin, Greek, English, Christian Evidences and Bible Studies stricken out.

GENERAL INFORMATION.

ACADEMIC YEAR.

The academic year extends from the second Thursday in September to the third Thursday in June. It is divided by a short recess, which includes Christmas day, into two terms.

The First Term begins on the second Thursday of September and ends a few days before Christmas.

The Second Term begins soon after Christmas and ends on Commencement Day. The Annual Commencement is held on the third Thursday of June.

The summer vacation is from Commencement Day until the second Thursday in September.

RELIGIOUS SERVICES.

All the students are required to be present at daily morning prayers in the Chapel, and to attend public worship in the Church on Sunday morning.

The Young Men's Christian Association, conducted by the students, is designed to assist in benevolent and religious labors at and around the College, and to promote among the students an interest in the various forms of Christian enterprise.

Instruction is given in Old and New Testament History every Sabbath afternoon. All the members of the College are required to attend.

INFIRMARY.

There is a well furnished Infirmary for the sick, and skilful medical attendance without charge to the students.

LIBRARIES AND APPARATUS.

The Libraries of the College and of the Literary Societies contain, in the aggregate, about nine thousand volumes. The three libraries have recently been consolidated in the spacious library room in the main college building.

The Cabinet of Mineralogy and Geology, and the apparatus for Chemistry, Astronomy, and Physics are valuable and sufficient for thorough instruction in these sciences.

LITERARY SOCIETIES.

There are two Literary Societies connected with the College—the Philanthropic and the Eumenean. Each has a commodious and handsomely furnished hall.

Both are well conducted, and afford opportunities for exercise in debate, composition, and public speaking.

The DAVIDSON MONTHLY, a literary magazine, is published under the auspices of the two societies.

The annual meeting of the *alumni*, honorary and acting members of each society is held on Tuesday before Commencement Day, at 8 P. M. The public exhibition of both societies takes place on Wednesday before Commencement Day, at 8 P. M.

In each society prizes are annually awarded for eminent ability in rhetorical and literary exercises.
