THE BRYAN SCHOLARSHIPS

DAVIDSON
AS A SCHOLAR ATHLETE, you know the meaning of hard work—the importance of discipline, a strong focus, and setting high goals. That training has paid off. You are as comfortable discussing literature, science, and art as you are in the pool, on the court, the track, the field, or the course.

Now it’s time to find your college community, one that will inspire and challenge you to develop those talents of body and mind even further.

The Bryan Scholars Program offers two scholarships, one each for a female and male scholar athlete in each entering class. The scholarships are valued at $35,000 annually, totaling $140,000 during the recipients’ Davidson careers.

HAVE YOU:
Earned an exceptional academic record?
Exhibited outstanding leadership abilities?
Been recognized as capable of playing at the Division I level in one of the eligible sports listed below?

If so, talk with your counselor or coach about the nomination process for the Bryan Scholars Program.

TO BE CONSIDERED FOR THE BRYAN SCHOLARS PROGRAM YOU MUST:
• Participate in an eligible sport (see list).
• Be nominated by your counselor, school head, coach (high school or league), or a Davidson College coach no later than September 20 of your senior year.
• Provide stats and player profile information to the Davidson coach of your sport immediately. Coaches’ names and contact details can be found at davidson.edu/athletics.
• Submit all parts of your application for admission to Davidson no later than October 15, available from your counselor or at davidson.edu/apply. (This DOES NOT imply an Early Decision commitment to enroll at Davidson.)
• Submit scores for the SAT I and/or the ACT. (Davidson CEEB #5150. Davidson ACT #3086.) If an applicant has taken SAT Subject tests, Davidson welcomes, but does not require those scores. The ACT Writing Test and writing portion of the new SAT will not be considered in our review process.
• If English is not your native language, submit your score on the required TOEFL (Test of English as a Foreign Language), or IELTS (International English Language Testing System).

Selection calendar: Finalists will be notified ASAP; selection interviews are on campus on October 28.

EARLY DECISION PLAN

If you are certain that Davidson is the right place for you, you should consider applying Early Decision (not required of Bryan candidates).

The Early Decision Agreement states:

Davidson is definitely your first choice. You will not apply Early Decision to another college or university. If accepted, you will enroll at Davidson. If accepted, you will withdraw all applications to other colleges or universities.

IN THE PAST 13 YEARS, Davidson athletic teams have won 30 conference championships and 11 NCAA tournament bids, and boast unbeaten records in conference play in women’s soccer, volleyball, men’s soccer, and men’s basketball. More than 65 professional athletes and 23 Rhodes Scholars have graduated from Davidson.

FINANCIAL ASSISTANCE

DAVIDSON WAS THE FIRST liberal arts college to eliminate student loans from financial aid packages for ALL students. This commitment to affordability and access became known as The Davidson Trust.

The Davidson Trust makes three promises:

◆ All admission decisions are completely need-blind.
◆ Davidson will meet 100% of every admitted student’s calculated need.
◆ Financial aid packages will contain only grants and campus employment—no loans will be imposed in any financial aid package.

Our Net Price Calculator (NPC – found on our Financial Aid web pages) is intended to assist you in early financial planning for college by providing a preliminary estimate of aid eligibility here at Davidson.

If you are relying on merit aid other than the Bryan Scholars Program, please know that all other merit decisions are made in March and early April.
