Davidson College is committed to creating a community that welcomes and fosters mutual respect among all campus members. We are dedicated to improving the Davidson campus climate for our transgender, genderqueer, and gender-variant students, faculty, staff, community members, and alumni. This map will be updated annually as we continue to offer more gender-inclusive restroom options in our residence halls, academic buildings, and administrative spaces. For questions or concerns, please email CDI@davidson.edu.

**KEY**

- Public single-occupant restrooms in academic or administrative buildings that are designated as "unisex" (Note: Many of these are only available during regular business hours.)
- Public single-occupant restrooms in academic or administrative buildings that are designated as either "male" or "female"
- Single-occupant restrooms in residence halls. (Note: Most of these restrooms are private to the room occupants. These are noted on the map as housing options that trans or genderqueer students may find more appealing. Please contact Residence Life at rl@davidson.edu to discuss your specific housing needs/preferences.)
