Please note the following academic regulations:

- "Courses counted toward a minor may not be counted toward a major except that with specific permission of both the major and minor departments, a maximum of one course may be so counted. Students must maintain a minimum 2.00 cumulative grade point average to pursue a minor and must achieve a minimum 2.00 average on all courses counted toward a minor."
- "A student may choose a second major, a minor, or an interdisciplinary minor, but no combination of the above."

Please check with individual interdisciplinary minor requirements in the Catalog to see how many courses may count for both a major and interdisciplinary minor.

Minors: Due in the Registrar's Office by February 1 of the student's senior year.

Interdisciplinary Minors: Contact individual directors for due dates.
