Psychology Major Requirements: Text

• Psychology majors are required to take 10 courses including PSY 101 and 310, one seminar, and a capstone course (400, 401, or 402). Two courses must be methods courses: one must be PSY 301, 302, 303, or 304; and one must be 314, 315, 316, or 318.

• Of the 10 courses, students must take at least one in each of the following areas.
  • Cognitive/Neuroscience courses: PSY 276, 280, 282, 284, 295*, 296*, 301, 302, 303, 304, 305, 324
  • Social/Industrial-Organizational courses: PSY 232, 233, 254, 260, 298*, 316, 318
  • Courses marked with an asterisk are reserved for transfer credits. PSY 280 may count in either the Cognitive/Neuroscience area or Developmental/Clinical area, but not both.

• The seminar requirement may not satisfy any area requirement. In addition, all seniors must satisfactorily complete an oral interview conducted by a psychologist who is not a member of the department.
