Credits

Attendance at all class sessions is required for teachers to be awarded Continuing Education Units (CEUs). Participants with 100% attendance records at the Institute will receive 3.0 CEUs (30 credit hours).

Participants who attend 90% or more of the Institute will receive a certificate indicating participation in the workshop. In compliance with the College Board, participants who miss more than 10% of the Institute will not be eligible for a certificate.

South Carolina participants earn the additional hours SC requires by completing an independent project with their instructor’s guidance. Participants from other states outside of NC should check with their states about certification credit. No graduate credit is available.
