## VEHICLE REGISTRATION

All employees and students who wish to park on campus are required to register their vehicle in advance with Public Safety online at www.davidson.edu/offices/public-safety/vehicle-and-bicycle-registration in order to receive a parking decal. Vehicles must be registered within 48 hours of arrival on campus. The fee for students is $50 per year for regular student parking which does not include the Baker parking lot.

Students can opt to park in Limited Parking if they choose to do so. Limited Parking areas only include the last row of Baker (adjacent to Concord Rd.) or the Ramsey Lot (gravel lot above Satellite). The fee for Limited Parking is $25 per year.

Student decals are valid from August 1 through July 31 of each academic year, and employee parking passes are valid for as long as the employee works at Davidson. There is a $3 charge for all replacement vehicle decals.

### TEMPORARY PERMITS

Temporary parking permits are available at Public Safety. Visitors should report promptly to the Campus Police office and obtain a temporary parking permit and a free copy of the Parking Rules and Regulations. Temporary permits for students and visitors must be visible when they are placed on the back window.

Visitors should make every effort to park in areas that are designated as Visitor Parking. Under no circumstances are visitors authorized to park in fire lanes, on grass, sidewalks and other areas designated as No Parking Zones.

Low-Emitting Vehicle Parking: The College installed two parking spaces on Faculty Drive for low-emitting vehicle as part of the E. Craig Wall, Jr. Academic Building renovation. The spaces supported Wall building achieving LEED Gold status from the U.S. Green Building Council, a program promoting healthy, green buildings. The intent of low-emitting vehicle parking is to reduce pollution by promoting alternatives to conventionally fueled automobiles.

The building standard states that green vehicles must achieve a minimum green score of 45 on the American Council for an Energy Efficient Economy (ACEEE) annual vehicle rating guide. Please refer to ACEEE’s online list, https://greenercars.org/news/list-leed-qualified-cars, of vehicle ratings to determine whether your vehicle qualifies. Please note these are yellow lines meaning only vehicles with a faculty/staff permit may utilize them if their vehicle meets the qualifying green score.

Motorcycles
Motorcycles must be parked in one of the reserved motorcycle spaces on campus, marked with a sign (1 in Belk lot, 2 in Martin Ct. lot) or in regular vehicular parking spaces and must be registered the same as a motor vehicle. Parking motorcycles or mopeds inside buildings or on residence hall porches is strictly prohibited. Motorcycles and mopeds are not permitted to travel on sidewalks or on the grass. North Carolina law requires people on motorcycles and mopeds to wear helmets. Motorcycles must have a valid vehicle tag, insurance and inspection sticker, and must display a current parking permit. All traffic laws pertaining to motorcycles and mopeds will be enforced.
